

Welcome to St Anne's School

- At St Anne's, we are dedicated to creating a positive and inclusive learning environment. We understand each child's unique needs and are committed to helping every student thrive and grow.

About Our School

- St Anne's School is a special school for children with intellectual difficulties and complex needs. We are committed to supporting each child's development and helping them reach their full potential.

Explore Our Facilities: Outdoor Spaces

- Our school provides safe and engaging outdoor spaces where children can play, learn, and explore. We believe in the importance of outdoor learning and recreation for all our students.

Explore Our Facilities: Sensory Rooms

- We have dedicated sensory rooms designed to provide calming and stimulating experiences tailored to each child's needs. These spaces support self-regulation and emotional well-being.

Explore Our Facilities: Calm Spaces & Regulation

- We offer calm and quiet spaces throughout the school to support children's self-regulation. These areas help children feel safe, comfortable, and ready to learn.

Explore Our Facilities: School Hall

- Our school hall is a versatile space used for assemblies, physical education, and special events. It's a place where our school community comes together to learn and celebrate.

Explore Our Facilities: ETB Rooms

- We provide specialised rooms for subjects such as Art, Home Economics, and more, ensuring our students have access to a broad and balanced curriculum.

Positive Approaches & Evidence-Based Practices

- We are committed to using positive, evidence-based practices to support the varying needs of our learners. Our approaches include:
 - - School-wide positive behavior support
 - - TEACCH for independent learning
 - - Total Communication methods
 - - Promoting independence and self-regulation
 - - Low-arousal approaches tailored to each child's needs.

Our Curriculums

- We offer a broad and balanced curriculum:
- - Primary Curriculum adapted for individual needs
- - Junior Cycle Levels 1 and 2 for accessible learning experiences
- - Senior Cycle with QQI modules.
- We are also preparing for the new Senior Cycle Curriculum rollout.

Applying for a Place at St Anne's

- Spaces are offered each year based on availability and the needs of pupils leaving our school. An Admissions Notice is published annually on our website, and applications are typically open in December and January. Exact dates are confirmed in the annual Admissions Notice.

Starting School at St Anne's

- If your child is offered a place, you will be invited to an enrollment meeting. This is an opportunity to begin the process of getting to know your child and to answer any questions you may have. We're here to support your child's transition every step of the way!
